On January 5, Fazila Vaid, Principal in Masuda Funai's Immigration Group, participated in a panel discussion at The CONversation Fandom Event Planner's Conference in Rosemont, Illinois. The panel discussion was on the topic "International Guest Acquisitions & Relations" and panelists discussed the many different aspects that go into acquiring and hosting overseas guests. The panel was part of a three day event that included additional panels, workshops and networking for event planners, staffers and industry partners.
